Enclosed for WFO are four copies of a self-explanatory court order issued by U. S. District Judge Malcolm M. Lucas, U. S. District Court, Central District of California, concerning the constitutionality of a warrant issued in California concerning captioned case. The Court ruled that the principle of collateral estoppel precludes further litigation on the constitutionality of the warrant here at issue.

WFO promptly have a Special Agent deliver a copy of Judge Lucas' order to USA Earl J. Silbert, Washington, D. C. Advise FBIHQ by return mail when this has been done.
