Dear Mr. Chiles,

As a citizen of the United States and living in your area of responsibility, I want you to know that I want an investigation into the affairs of the various agencies attacking the Church of Scientology.

This is a disgrace and wasteful of our country's money. I cannot stand aside and allow this blatant violation of the Church and my own first amendment rights. It's more disgusting than the Watergate incident and I'm sure you wouldn't want to allow First Amendment rights to be trampled upon by your neglect.

Sincerely,

b7c
