While I would like to be of service, I must advise that this Bureau has not investigated the Hubbard Association of Scientology International, and I am unable to be of assistance to you.

NOTE: The Bureau has received numerous citizen inquiries concerning this association which alleges a new method of curing mental illness that is so radical in its results that it is equivalent to man's discovery of fire. It is noted that Hubbard was accused of being mentally unbalanced by his wife when she filed for divorce from him.
