DIRECTOR J. EDGAR HOOVER
FEDERAL BUREAU OF INVESTIGATION
WASHINGTON, D.C.

DEAR MR. HOOVER:

Inclosed find one (1) Brain-washing manuel of the Russian PSYCHOPOLITICIANS.

I understand you and your agents have access to it already; but I want to make sure.

3-31-56 I phoned an agent of yours by the name of L.L. Lamore and reported that I am investigating by joining "The Hubbard Association of Scientologists, International". They were formally known as Dianeticists until the Psychopoliticians laughed them underground. I know very little about them so far because I have had only time to attend two short meetings. There must be less than a dozen in all Houston. So far I think they are O.K. They are supposed to do good, thats their creed. They say that if you learn Scientology, you cannot be brain-washed, other than with drugs or surgery.

It seams the Psychopoliticians have been at work since the Czar.

To combat them it will take plans of great bounds. A slip-up could cause an atomic war. Read page 64 where I point out any failure. One reason I say ANY is because some fanatic or would be hero could come here with out official orders and drop fission. Another reason I say Any---read that 4th to the last Para. on pg. 64. They dont expect to fail because they have such a powerful holding here---but when they find we are on to them and their roots-----then a 100 or so and their women will head for their under mountain castles and let the bomb's fall; hoping to survive it out as a last resort.

The mix-ups in our good old U.S.A. are clearer now to me. No one knows the seriousness better than you.

Our dope, missleading news, passing of H.R. 6376 by voice vote, Supreme Court close decisions conflicting with Congresses; your hands being tied many ways.

I am wishing for a plan where by you will get some of the current 5 Billion---- I say you need it here now more than any body else in the world, to spot every Psychopolitician, in colleges, mental inst. Nat. and Fed. gov., hospitals, and health clubs, etc. And smash them for good.

Of course it will shake up the public a little while -- But if the U.S. knows and the world knows that very great prosperity will come in a smooth manner after they are smashed, they will love it and Thank God, more than ever.

May God grant you power to put the cards in the President's Lap.

EX-108

I am trying to get influential people to absorb the Brain-washing manual, but it very slow. The Masons have glimpse of it, so do the Christian Scientists.

My Methodist preacher Rev. Leo Allen is planning on waking up and many people as he can at the San Jacinto Day Speech at the Battle Grounds. I would appreciate it if you would give me a clue as to whether it is too soon to start blasting the Psychopoliticians. I dont want Allen's future damages, because he is gifted.

I would like to see one of your agents join the Scientologists here as a buffer to conclusions. It's deep but it looks good so far.

Very truly yours ,

Edison T. Schaefer

The Manual should come back to me when you need it not.
