## Review of Dianetics

May 1950 First book. Seized on by a small portion of the public. These people realized in some small way the fact that troubles existed.

2 Types Self Help + the Treatment Group.

Book Auditor came into existence.

Foundations formed in June. From a small group.

Dianetics was on its way.

Processing at that time

Repeater + full entrance into deep material.

On some it worked - Many fail ups.

Knowledge spreads Data pours in.

H & staff begin to develop variations based on empirical data.

We discovered that running locks was very effective in some cases.

The psychiatrist knew this but <sup>confuses</sup> mistakes the lock with the engrain. (doubts its existence)

Some people "light" processing better than deep. Mag. articles which scoff. The reason.

Foundation - Most cases opened up - but some wouldn't. How is your tone? Up & down. Search for reason.

Out side - Many ideas.

Then ARC becomes important - Heady Gurdy

Sunday, September 30th, at the Planetarium Center, 50 Central Park South, New York City at 2 P.M. He can probably answer all your questions at that time if you are able to attend.

If you arrive in Wichita before Mr. Leggett returns, I will be happy to meet you and discuss with you any problems that may exist. It is usually very profitable to meet an HDA fresh from the field who has a diversified view point.

Until we hear from you again, then, I am

Sincerely,

Genie Burnett, Secretary to

been occurring in this area. We can also utilize this time to ratify Mr. Nappe as president of your Region or elect whom ever you may choose.

Bring your check book with you as the Association is always eager for new members.

Will be looking forward to seeing you on the 30th.

Sincerely,

Dear Mr. Stocker:

Your letter arrived just as Mr. Leggett was leaving for the East on a combined business and pleasure trip. Since he doesn't expect to be back for approximately two weeks he asked me to write to you.

You probably received a form letter from him dated Sept. 22nd, in which he invited all members of Region #1 to attend a meeting next

Dear HDA:

This will be my first communication to many of you since the establishment of Region I and my ratification as Regional Director.

The reason for this delay in communicating with you was so that I might be able to give you complete information in this first letter.

I have seen many of you personally and quite a number of you attended the meeting which we had here at the Center on Sunday, September 30th. Chip Leggett gave a report of the activities of the HDA, International and its relation to the Foundation in Wichita. I wish all of you could have been here to actively participate. However, I realize that for many of you that was an impossibility because of the distance and various other reasons.

Coming back to the reason for my delayed communication with many of you; I was fully engaged in setting up this Center here in New York. After its opening, I intended to communicate with you and tell you that I hope the Center may be a home for the HDA's in this region.

It is almost four weeks since the Center was opened and we are very happy that it is in operation. It is running very smoothly and we are doing all we can to further the ideas and ideals of Dianetics.

I feel that from now on I will be able to communicate with you regularly and if you have anything in mind or want any information, please feel that I am at your service. It is my pleasure to be so.

The meeting with Chip Leggett, mentioned above, was quite successful. We ironed out many points in relation to Wichita. General discussion took place

in which different points and views were expressed concerning the policy between the HDA's and the Foundation in Wichita. I believe Chip Leggett will send out mimeographed letters to all of you about this meeting. Several points and views expressed pointed the desirability of our having a meeting of the HDA's of Region I at regular intervals. I want those of you who were present at this meeting and those of you who were not, to express your opinion concerning the times of the year most desirable for such meetings and how often such meetings should be held.

Please send in your application for your license and the fee. I also would like to remind you to send in your membership fee for the HDA, International to Chip Leggett's secretary as he has need of these funds to enable him to continue his work.

Most sincerely,

Moritz Nappe  
Regional Director
