

SEA ORGANIZATION

FLAG ORDER NO. 779

29th May 1968

SCHOOL HOURS

School hours are to be from 6.45 - 10.00 PM hours daily.

Messengers with duty in the evening will have study time during the afternoon. A schedule of rotation is to be made up. Sea Org members have duties to perform, these duties are on regular S.O. hours.

It has been established that the smaller Sea Org members are required to have play time. This is not a requirement. They are more than willing to do their jobs and will, if given a chance.

Hence this schedule is established.
