Dear Sirs,

I have been a member of an organization to which has been accused of being Communistic and I would like to have any information you can supply me with.

I have known about it and read literature over a period of two or three years. I have yet the first time to have anyone tell me it or I was to offend or be disloyal to anyone, anywhere. However, to satisfy those with which I work with and communicate with, varification or deynial must be made and I must definitely be satisfied.

To the very end I must defend myself and it until definite froof avails it'self. I have been better in all ways since I have studied it. I have more human than I remember ever being and able to reason where there was never any before.

Also, I have never cared for my Country, Family, and friends, as I do now. There is help to be given others and I will not refuse them when they ask.

Your prompt attention to my request will be appreciated. The Organization is - SCIENTOLOGY. I know you must have the information on them. If not then, I suggest that you look into it. The Address in Washington is 1812 19th St. N.W.
