Dear Mr. President:

The other day I read about the F.B.I.'s raid and  
confiscation of documents of the Church of Scientology in Los  
Angeles and Washington. The allegations made by both the  
F.B.I. and Scientology are serious and must be fully in-  
vestigated. There must be public investigations due to the nature  
and seriousness of the charges. (Specifically, the charges I mean

that the confiscated files are "illegally obtained" and that the FBI  
overlooking an international drug smuggling operation by Date

Thank you.
