

4 Dec. 45

To: The Chief of Naval Personnel  
Attn. Transportation Division.

Subj: Transportation of dependents, change of  
address on.

1. It is requested that the mailing address  
on a transportation claim submitted in August 1945  
be changed.

2. The claim requested reimbursement for  
transportation for my wife and children from  
Portland, Ore., the embarkation port of the U.S.S.  
Algol (AKA54) to which I was then attached, to my  
home in New York City.

3. The mailing address on subject claim  
is no longer my address and mail going to me at  
that address has been lost. I would like  
further correspondence or payment to be sent  
to:

Lt. L. R. Hubbard USNR  
8777 Lookout Mt. Ave.  
Hollywood, 46, Calif.

4. Please advise if the check has already  
been sent so that I can either trace it or request  
that it be re-issued. The time elapsed leads me to  
believe that the check has been lost.

  
Lt. L. Ron Hubbard USNR 113392
