From: President, Naval Retiring Board  
To: Medical Officer in Command  
U. S. Naval Hospital  
National Naval Medical Center  
Bethesda, Maryland

Subj: Lieutenant Lafayette H. Hubbard, USNR, (Inactive),--  
request that he be admitted for study and report

Ref: (a) Dispatch from Dated to Naval Hospitals, Authorizing  
admittance of Inactive Reserve Officers.

Encl: (A) Medical History (50 photostatic sheets)

1. The case of the subject officer is under consideration by the Naval Retiring Board. After an examination of the officer and his records, it is the opinion of the Board that further study and evaluation of his case should be made before it takes final action.

2. It is therefore requested that this officer be admitted to the Hospital in accordance with reference (a) for evaluation of his case, fitness for duty, and if he be found permanently incapacitated for active duty, an opinion as to whether such disability is the result of an incident of the service.

3. Upon completion of this examination it is requested that a report be made to the Retiring Board and that the officer be directed to report to the Board for completion of his examination.

4. The return of Enclosure (A) is requested at such time as this officer is directed to return to the board.

R. H. CHEPPEL,  
Rear Admiral, USN.
