

4/28/67

Recd. call from Mrs Richards. Perturbed that we are asking for Mr. Hubbard's authorization. States all she wants to know - "Was Mr. Hubbard hospitalized + if so, names of doctors, etc who might have been stationed at hospital during that time."

Told her I could not give up + that I did not have his records as yet. Advised her to call next Friday, 5-5-67.

B

5/2/67

Mrs Richards called again. She now advises the dates of Mr Hubbard's hospitalization - 1942-43 will call Friday.

B.

5/8/67

Mrs Richards called - Advised her - no info without Mr. Hubbard's authorization.
