Dear Sirs:

I am seeking information on the World War Two record of Lafayette Ronald Hubbard, founder of the so-called Church of Scientology.

Can you supply the following information:

1. The dates of Mr. Hubbard's term of service.
2. Mr. Hubbard's rank when entering and leaving the Navy.
3. Mr. Hubbard's record of injuries.
4. Mr. Hubbard's commands (He claims to have been "a commander of corvettes.")
5. Any decorations bestowed on Mr. Hubbard.

Thank you for your cooperation.

Sincerely yours,

Judith Weidman
