REQUEST PERTAINING TO MILITARY RECORDS

1. INFORMATION NEEDED TO LOCATE RECORDS.

Certain identifying information is necessary to determine the location of an individual's record of military service. Please give careful consideration to, and answer each item of this form. If you do not have and cannot obtain the information for an item, show "NA" meaning the information is "not available." Include as much requested information as you can. This will help us give you the best possible service.

2. CHARGES FOR SERVICE.

A nominal fee is charged for certain types of service. In most instances service fee costs cannot be determined in advance. If your request involves a service charge, you will be advised as soon as that determination is made.

3. RESTRICTIONS ON RELEASE OF INFORMATION.

The Military Departments have restrictions regarding the release of information from records of military personnel. A service person can obtain almost any information contained in his own record. The next of kin, if the veteran is deceased, and Federal officers for official purposes, are authorized to receive most types of information from a military service or medical record. Other requesters must have the Release Authorization in item 6 of the request signed by the veteran, or, if deceased, by the next of kin. Employers and others needing proof of military service should accept, as authentic, the information shown on documents issued by the Armed Forces at the time the service persons are separated.

LOCATION OF MILITARY PERSONNEL AND MEDICAL RECORDS

The various categories of Military Personnel Records are described below. For each category there is a CODE number which indicates the address at the bottom of the page to which this request should be forwarded. For each military service there is a NOTE explaining approximately how long the records are held by the military services before they are transferred to the National Personnel Records Center, St. Louis. Please read these notes carefully and make sure you send your inquiry to the right address. (If the person has two or more periods of service within the same branch, send your request to the office having the record for the last period.)
