Dear Mr. Shannon:

Your letter of 29 November 1979, addressed to the Office of Public Affairs, Department of the Navy, Washington, D. C. 20035, concerning medical information regarding Lafayette Ronald Hubbard, has been referred to this Bureau for reply.

The Bureau of Medicine and Surgery does not maintain health records of former Navy personnel. We have, however, initiated action for a review of Mr. Hubbard's health record to determine what portion, if any, is releasable to you under the Freedom of Information Act.

You will be further advised as soon as the review is completed and a determination has been made.

Sincerely,

W. F. SHOWALTER
