To Whom It May Concern:

This letter is a formal request, under the Freedom of Information Act, for the naval record of:

Lt. Lafayette Ronald Hubbard  
19 July 1941 commissioned Lt. junior grade.  
24 Nov. 1941 ordered to active duty.  
5 Dec. 1945 honorable discharge.

Where and when were Lt. Hubbard's postings?

Did he see ever see action with the enemy during his naval career?

Was he ever wounded?

When discharged was he blind and cripple?

Were his reviews by superiors generally good, poor, or bad?

✓ What medals did he earn?

✓ What was his rank upon his discharge?

Did the Navy ever contact Lt. Hubbard after his discharge requesting his research into the workings of the human mind?

Did the Navy ever use Lt. Hubbard as their spy to infiltrate a satanic cult operating in Pasadena, 1945-46?

Did the Navy ever state that Lt. Hubbard was fit for active duty anytime after his discharge in 1945?

Thank you for your prompt attention in these matters.
