LOCATION OF MILITARY RECORDS

The various categories of military service records are described in the chart below. For each category there is a code number which indicates the address at the bottom of the page to which this request should be sent.

1. **Health and personnel records.** In most cases involving individuals no longer on active duty, the personnel record, the health record, or both can be obtained from the same location, as shown on the chart. However, some health records are available from the Department of Veterans Affairs (VA) Records Management Center (Code 11). A request for a copy of the health record should be sent to Code 11 if the person was discharged, retired, or released from active duty (separated) on or after the following dates: ARMY--October 16, 1992; NAVY--January 31, 1994; AIR FORCE and MARINE CORPS--May 1, 1994; COAST GUARD--April 1, 1998. Health records of persons on active duty are generally kept at the local servicing clinic, and usually are available from Code 11 a week or two after the last day of active duty.
2. **Records at the National Personnel Records Center.** Note that it takes at least three months, and often six or seven, for the file to reach the National Personnel Records Center (Code 14) in St. Louis after the military obligation has ended (such as by discharge). If only a short time has passed, please send the inquiry to the address shown for active or current reserve members. Also, if the person has only been released from active duty but is still in a reserve status, the personnel record will stay at the location specified for reservists. A person can retain a reserve obligation for several years, even without attending meetings or receiving annual training.
3. **Definitions and abbreviations.** DISCHARGED--the individual has no current military status; HEALTH--Records of physical examinations, dental treatment, and outpatient medical treatment received while in a duty status (does not include records of treatment while hospitalized); TDRL--Temporary Disability Retired List.
4. **Service completed before World War I.** The oldest records pertaining to military service veterans are at the National Archives, for service that was completed before the following dates: ARMY--enlisted, 11/1/1912, officer, 7/1/1917; NAVY--enlisted, 1/1/1886, officer, 1/1/1903; MARINE CORPS--1/1/1905; COAST GUARD--1/1/1898. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from inquire@nara.gov or write to the Code 6 address.
