

THE DIANETIC CENTER  
38 CENTRAL PARK, SOUTH NEW YORK CITY, N. Y.

TELEPHONE: ELDORADO 5-1068

Dear HDA:

This will be my first communication to many of you since the establishment of Region I and my ratification as Regional Director.

The reason for this delay in communicating with you was so that I might be able to give you complete information in this first letter.

I have seen many of you personally and quite a number of you attended the meeting which we had here at the Center on Sunday, September 30th. Chip Leggett gave a report of the activities of the HDA, International and its relation to the Foundation in Wichita. I wish all of you could have been here to actively participate. However, I realize that for many of you that was an impossibility because of the distance and various other reasons.

Coming back to the reason for my delayed communication with many of you; I was fully engaged in setting up this Center here in New York. After its opening, I intended to communicate with you and tell you that I hope the Center may be a home for the HDA's in this region.

It is almost four weeks since the Center was opened and we are very happy that it is in operation. It is running very smoothly and we are doing all we can to further the ideas and ideals of Dianetics.

I feel that from now on I will be able to communicate with you regularly and if you have anything in mind or want any information, please feel that I am at your service. It is my pleasure to be so.

The meeting with Chip Leggett, mentioned above, was quite successful. We ironed out many points in relation to Wichita. General discussion took place

in which different points and views were expressed concerning the policy between the HDA's and the Foundation in Wichita. I believe Chip Leggett will send out mimeographed letters to all of you about this meeting. Several points and views expressed pointed the desirability of our having a meeting of the HDA's of Region I at regular intervals. I want those of you who were present at this meeting and those of you who were not, to express your opinion concerning the times of the year most desirable for such meetings and how often such meetings should be held.

Please send in your application for your license and the fee. I also would like to remind you to send in your membership fee for the HDA, International to Chip Leggett's secretary as he has need of these funds to enable him to continue his work.

Most sincerely,

Moritz Nappe  
Regional Director
