Letter to Director, FBI

attended CP meetings or paid dues since coming to Chicago. He stated however that he believed in Communism despite his inactivity at the present time and would therefore refuse to sign the loyalty oath.

WEST according to the complainants, is a protege of Dr. JOSEPH WINTER formerly with the Hubbard Foundation and now the head of a Dianetic Clinic in New York City. WINTER is reportedly a close friend of one XCEPHO (phonetic) who informants have heard was a Communist Organizer in Washington, D.C. CEPHOS is believed to be associated with WINTER in New York City at the present time.

LAMAREUX, who is formerly from Los Angeles, advised that he had heard that the Los Angeles Foundation is Communist dominated; this information reportedly came from DRESSLER the Administrator of the Los Angeles Foundation. Complainants also advised that they had hearsay information that PEGGY and GENE BENTON formerly of the Hubbard Foundation, Los Angeles, were Communists.

Complainants advised that in their opinion the National Office of the Foundation is attempting to weed out Communists.

LAFAYETTE RON HUBBARD, Elizabeth, New Jersey, founder of captioned organization, appeared at the Chicago Office on February 26, 1951 and furnished information concerning alleged Communist influence within the Chicago and Los Angeles branches. The information furnished by HUBBARD concerning the Los Angeles Foundation was omitted to Los Angeles by Chicago letter of March 9, 1951 in the case entitled SARAH ELIZABETH HUBBARD, Nece, Elizabeth Northrup, Mrs. Lafayette Ron Hubbard, Security Matter - C.
